Subscribers will be furnished, by mail, ten weeks for ONE DOLLAR; and in no case will the paper be continued beyond the time paid for. Single copies two cents.

A Weekly edition of the WHIG STANDARD for country circulation is published every Saturday morning, at ONE DOLLAR per annum, IN ADVANCE.

PROSPECTUS.

THE undersigned, believing that a cheap daily Whig newspaper at the seat of Government would prove a valuable auxiliary to the Whig cause during the approaching Presidential contest, will publish, on the first Monday in November next, a thorough and decided Whig paper, entitled,

THE WHIG STANDARD,
devoted to the principles and policy of that party, as laid down in the following declarations by HENRY CLAY:

- "A sound National Currency, regulated by the will and authority of the Nation;
- "An adequate revenue, with fair protection to American industry;
- "Just restraints on the Executive Power, embracing further restrictions on the exercise of the Veto;
- "A faithful administration of the Public Domain, with an equitable distribution of the proceeds of the sales of it among the States;
- "An honest and economical administration of the General Government, leaving public officers perfect freedom of thought, and of the right of suffrage, but with suitable restraints against improper interference in elections;
- "An amendment of the Constitution limiting the incumbent of the Presidential office to a single term."

To this announcement we believe every true and ardent Whig will favorably respond. The hearts of the Whig army, whose ranks were unbroken, and whose banners floated unstricken during the campaign of '40, must, everywhere, swell with glorious pride at the memory of the past, and their hopes encouraged by their joyful anticipations of the future. It is true a nightmare of treachery now rests upon the energies of the party; but shall we not arouse to the importance of the political conflict which is about to ensue? There are at this time five opposition papers at the Seat of Government, each, in its way, endeavoring to sap the foundations of the Whig party, and blasting the prosperity of the country by the measures they propose. Shall we not rally against the foes excited by these emissaries, whose corrupt and atrocious motives are manifest by their early wrangling for spoils which they never can win? We know the response of millions of freemen will be "AY, RALLY!" Already the general furbering of arms "gives dreadful note of preparation;" then let ours be a bright and death-dealing sword in the conflict. Let us rally under a leader upon whose standard is inscribed "Liberty, Order, the Constitution," whose great political and personal virtues endear him to every generous heart, and whose patriotism has never been excelled—let us rally for HENRY CLAY, the Statesman and Sage, the friend of the workingman, the idol of his country, which, for forty years, next to his God, has had his chief care.

In addition to the thorough Whig course which this paper will pursue, its readers will be furnished with the earliest local intelligence of the city and District, and the general news of the day.

The daily hour of publication will be 6 o'clock in the morning; and during the session of Congress a synopsis of its proceedings will be given up to adjournment, by able reporters; enabling us thus to transmit abroad, through its columns, whatever of interest may transpire, at the earliest hour.

THE WHIG STANDARD will be published, daily, at 10 cents per week, payable to the carriers.

The paper will be mailed to subscribers out of the District, at \$5 per annum, payable invariably in advance, or for a shorter period at the above rate.

P. S. All communications by mail must be post paid, or they will remain in the post office.

THE WONDERFUL CURES

Per-
form-
ed by Dr.
SWAYNE'S
Compound Syrup
of Wild Cherry, in
Pulmonary CONSUMPTION, have excited the astonishment of all who have witnessed its marvellous effects; there is no account of a medicine, from the earliest ages furnishing a parallel; the almost miraculous cures effected by this extraordinary medicine, are unprecedented. One among the many certificates may be seen below.

CINCINNATI, Feb. 15, 1840.

Dr. SWAYNE—Dear Sir:
PERMIT me to take the liberty of writing to you at this time to express my approbation, and to recommend to the attention of heads of families and others your invaluable medicine—the Compound Syrup of Prunus Virginiana, or Wild Cherry Bark. In my travels of late, I have seen, in a great many instances, the wonderful effects of your medicine in relieving children of very obstinate complaints, such as Coughing, Wheezing, Choking of Phlegm, Asthmatic attacks, &c., &c. I should not have written this letter, however, at present, although I have felt it my duty to add my testimony to it for some time, had it not been for a late instance where the medicine above alluded to was instrumental in restoring to perfect health an "only child," whose case was almost hopeless, in a family of my acquaintance. "I thank Heaven," said the doating mother, "my child is saved from the jaws of death!" and I now say and believe that, beyond all doubt, Dr. Swayne's Compound Syrup of Wild Cherry is the most valuable medicine in this or any other country. I am certain I have witnessed more than one hundred cases where it has been attended with complete success. I am using it myself in an obstinate attack of Bronchitis, in which it proved effectual in an exceedingly short time, considering the severity of the case. I can recommend it in the fullest confidence of its superior virtues; I would advise that no family should be without it; it is very pleasant and always beneficial—worth double, and often ten times its price. The public are assured there is no quackery about it.

R. JACKSON, D.D.

Formerly Pastor

of the First Presbyterian Church, N.Y.

In districts where Calomel and Quinine have been too freely made use of in bilious complaints, &c., Dr. Swayne's Compound Syrup of Wild Cherry, will prevent their evil effects on the system, and act as a strengthening alterative and improve the Bilious functions.

HOARHOOUND CANDY.—The subscriber has recently been appointed agent for the sale of Pease's Hoarhound Candy. He could speak from personal knowledge of its beneficial effects in cases of severe cold, coughs, &c., but, lest he may be deemed an interested witness, he adduces the following, among numerous other testimonies, to the same import:

Hermitage, April 17, 1843.

I have the pleasure to acknowledge your kind favor of the 1st ultimo, by the hand of my friend, Mr. J. Armstrong, and with it your most esteemed present, a package of your Hoarhound Candy, for which I receive my sincere thanks. I can only add, that may thousands receive from its use as much benefit as I have done, then will its inventor go down to posterity as one of its benefactors.

I am gentlemen, very respectfully,

Your friend and obdt servt,

ANDREW JACKSON.

Messrs. Pease & Sons.

Washington, April 6, 1843.

The President desires me to return Messrs. Pease & Sons his acknowledgments and very sincere thanks for the box of Candy received at their hands. He has used it with much benefit to himself, as a remedy for cold and cough. I am, with very much respect,
JOHN TYLER, jr., Private Secretary.

Albany, May 18, 1842.

Gentlemen: You will pardon me for the delay in replying to your letter of the 14th ultimo, and acknowledging the receipt of a box of your Clarified Essence of Hoarhound Candy.

Allow me to thank you for this kind respect, and to express the hope that you will be liberally patronized in your efforts for the public. The article is got up in beautiful style, and is highly commended by those who have had occasion to use it.

Your obdt servt,

Messrs. Pease & Sons. WM. C. BOUCK.

City Hall, New York, June 27, 1843.

Messrs: I have repeatedly used your Candy for coughs and colds, and always found relief, but official duties prevented me from writing to you before. But as I have lately been cured of the influenza, I cannot withhold from recommending the same to the public.

I am yours, truly,

Messrs. Pease & Sons, 45 Division street.

Lindemead, Oct 14, 1843.

Gentlemen: I have to thank you for the box of your, I doubt not, justly celebrated Clarified Essence of Hoarhound Candy, and also for the very obliging terms in which you have been pleased to present it. I have not, I am happy to inform you, as yet had occasion to use it, but will do so when necessary, with a confidence in its efficacy which is well warranted by the experience of others.

Very respectfully, your obedient servant,

M. VAN BUREN.

After all, the best recommendation of it is a personal application which he invites those afflicted with coughs and all public speakers to make. He will keep a constant supply at his Family Grocery Store, on 7th street, nearly opposite the Patriotic Bank. dec 9

Fresh wounds or old sores are rapidly cured by it.

DEAFNESS.

Dr. MCNAIR'S ACOUSTIC OIL.—Those deaf from infancy often receive, in a most miraculous manner, their hearing when they least expect it, by some trifling accident or event, which shows them how easily they might have much sooner had their hearing, and saved themselves and their friends the pain of conversing in a loud tone, without pleasure, or of being neglected and shunned, to avoid that distress which is felt mutually by the deaf person and his hearers. How sacred a duty, therefore, it is that we use all necessary means to remove such an affliction, and enjoy the social qualities implanted in our natures! This EAR OIL has the effect, so to relieve the tension, and bring into use the natural action of the parts, so as to restore the hearing when lost or impaired. This is proved by so many and well-known cases, that, where known, it needs no praise. The great wish of the proprietor is, that each may speak to others of its uncommon virtues, till sufferers may know, and be relieved and restored by its use. This will be done in all cases of recent DEAFNESS and many of long standing. ALL DEAF PERSONS should use this oil! It will relieve at once, or, if DEAFNESS is just commencing, will remove the cause and check its progress. Those who have been long deaf should continue its application a few weeks to hear well. Each flask has full directions for use attached to it.

AVOID ANY IMITATIONS.

TO ALL THE WORLD WHO USE LEATHER IN ANY FORM.

OIL OF TANNIN.

OR LEATHER RESTORER.

A NEW CHEMICAL DISCOVERY.

Most people know that skins and hides are converted into leather by the use of Tannin extracted from certain barks, &c.

When the force and strength of the Tannin is worn out, leather becomes dead, hard dry, brittle, cracked, covered with a crust. &c. THIS ALL KNOW. To restore, then, life, softness, moistness, strength, smoothness, and remove all crust, fly, or blister—restore the tannin. This substance the leather never can receive the second time; but the whole virtues of it are in this article, the OIL OF TANNIN—which penetrates the stiffest and hardest leather, if it has been twenty years in use; and if it tears easily with the fingers, it imparts at once a strength that is utterly incredible until seen. It becomes like new leather, in all respects, with a delightful softness and polish, and makes all leather completely and perfectly impervious to water—particularly boots, shoes, carriages, harness, boxes, trunks, and in fact all things made of leather, giving a splendid polish, even higher than new leather has, and at least doubling its wear and durability, in whatever manner the leather is used. THESE ARE FACTS.

Those who may wear old shoes, groan with corns, ride with old carriage-tops—have old harness, and throw them away half used—look filthy themselves and all about them—expend double what is necessary for articles of leather to their hearts' content, for what we care, if their prejudices are so strong, they will not try a new discovery. We have no favors to ask of them, they are the greatest sufferers, and we beg for nobody's custom or patronage. Now, gentlemen, please yourselves.

None genuine unless with the fac simile signature of COMSTOCK & Co.
